

# 1400W 124mm ANGLE GRINDER

MODEL: 60145

## Features

- Restart Protection
- Soft Start feature
- 6 speed regulation
- Slide type Switch

## Technical Specifications:

|                   |                   |
|-------------------|-------------------|
| Model             | : 60145           |
| Voltage           | : 230V 50HZ       |
| Rated Power       | : 1400W           |
| No loading speed  | : 3000-11000r/min |
| Max Disc Diameter | : 125mm (5")      |

|                        |                    |
|------------------------|--------------------|
| Inner Diameter of Disc | : 22.2mm           |
| Spindle Thread         | : M14              |
| Full Load Current      | : 7.6Amps.         |
| Insulation             | : Double insulated |
| Approx. Weight         | : 2.8kg            |

## Constructional Features:

- One hand operation design
- 100% copper motor with high efficient power
- Motor with dust protection
- Motor with constant speed during grinding application
- Electronic Overload protection
- Kick back control feature
- Adjustable Wheel Guard
